**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a local company For my Internet service and Im part of a fiber optic network with them. Broadband is important to me because I use this not only for myself but also for my business which is a small business . I like to support other small businesses and one aspect the FCC has allowed because of the 1996 law is to allow other companies to use wires that AT&T has laid down. I want to say its Important to save competition and would like for you to reject the recent petition. Save bridge 2 broadband.

Thank you,

Heather Mitchell
